

## GENERAL INFO

We accept the following recyclables for **free**:  
**Appliances** - all except freon appliances. Read further for freon appliance fees.

**Automotive** - anti-freeze, batteries, motor oil, and oil filters.

**Cardboard** - dry food boxes, corrugated containers, food cartons (milk, juice, soy, soup).

**Glass** - bottles and jars (containers like Pyrex and drinking glasses are not recyclable).

**Household** - clothing, shoes, towels, bedding, and small rugs can be placed in Wearever bins at the collection sites.

**Metals** - aluminum and bi-metal (steel + aluminum) cans, and scrap metal. Aluminum/bi-metal cans and metal bottle caps are to be recycled with plastics, *not* with scrap metal.

**Paper** - mail and envelopes (including envelopes with windows), newspaper, brown paper, phonebooks, paperback books, etc.

**Plastics** - #1, 2 and 5 containers and lids.

**Yard waste** - grass clippings, leaves, brush and woody wastes < 2" diameter, etc.

Other items are accepted for a fee.

Non-recyclables can be disposed of for a fee or in prepaid, colored Pepin County garbage bags (15 gallon purple and 30 gallon orange) available for purchase at the collection sites and stores throughout the county.

### Non-County Bags

15 gallon: \$3.00  
30 gallon: \$4.50  
Leaf bag: \$6.00

### County Bags

15 gallon: \$2.25  
30 gallon: \$3.75

 For updates on the recycling program and events, 'like' the Pepin County Land Conservation and Planning Facebook page or visit: [www.co.pepin.wi.us/recycling](http://www.co.pepin.wi.us/recycling)

## EVENTS

Two electronics recycling events are held each year, typically in the spring and fall.

**Collection sites do not accept electronics.**

Hazardous Waste and Pharmaceutical Clean Sweep events are held in spring and fall in Ellsworth with the Pierce County Recycling Department.

If you cannot make it to a Clean Sweep, expired, unwanted or unused medications can be brought to the Sheriff's Department dispatch center (740 7th Ave W, Durand) any day or time at no charge.

## RECYCLING GUIDELINES

**Cardboard** - clean, free of debris and flattened.

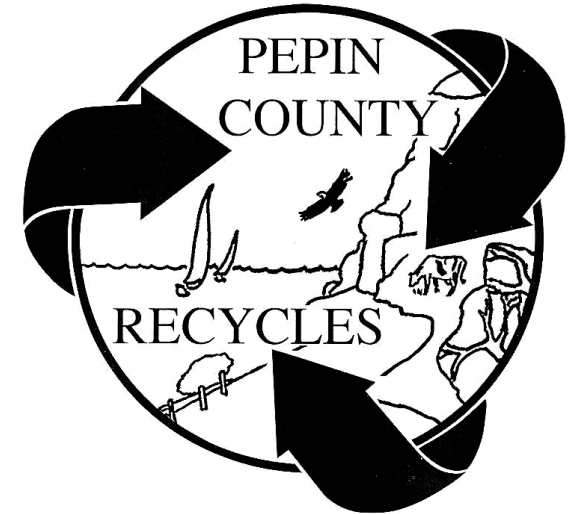

**Cans** - rinsed clean of product residue, well-drained, and recycled with plastics (not scrap metal).

**Glass** - only bottles and jars are recyclable. Rinse containers before recycling. Place metal bottle caps with plastics and cans.

**Plastics** - #1, 2, and 5 containers and lids should be rinsed clean of product residue, well-drained and flattened. Place caps back on containers after flattening. We **do not** recycle plastic bags, flowerpots, pails/buckets/barrels, coolers, etc. Please consider shopping with re-usable canvas bags and re-purposing plastic items we currently don't recycle.

**Paper** - clean and free of non-paper items.
